Flood Disaster

Due to the heavy rainfall and severe water disaster in Punjab, our school remained closed from 26th August to 7th September. The situation caused great difficulty for many people, and we were advised to remain safe in our respective homes.

The school will now reopen on Monday, 8th September. Until then, students are requested not to leave their houses unnecessarily and to follow safety precautions. We also pray for the well-being of all those who are suffering due to this disaster.

Regards,

PPS BRAHMAN MAJRA
