

# Krishana Janmashtmi

Janmashtami Celebration Report - Punjab Public School, Brahman Majra

Our school celebrated Janmashtami with great enthusiasm and joy. Students dressed up in various costumes, portraying Lord Krishna and Radha, and showcased their talents through dance and other performances. The junior students' dance performance to the tunes of Krishna bhajans was particularly impressive and captivating.

All students thoroughly enjoyed themselves on stage, participating in different activities related to the festival. Teachers and students alike relished the moment, and the atmosphere was filled with excitement and happiness.

Our respected teacher, Miss Ashu Khanna, delivered a speech about the childhood events of Lord Krishna, which had a profound impact on the students. The students worked in a happy mood, clapping and appreciating each other's performances.

Overall, the program was a huge success, thanks to the efforts of our Managing Director, Principal, and dedicated school teachers.
