

## **“SAY NO TO DRUGS CAMPAIGN – TAKING PLEDGE”**

Organized by: PPS Senior Secondary School, Brahaman Majra

Date: 25 October 2025

Our school, PPS Senior Secondary School, Brahaman Majra, organized an awareness program under the theme “Say No to Drugs – Taking Pledge.” The main objective of this campaign was to educate students about the harmful effects of drug abuse and to encourage them to live a healthy, disciplined, and drug-free life.

The event began with an inspiring speech by our respected teacher, Mr. Narinder Kumar, and our senior student, Bhavana Sharma, who highlighted how drugs destroy not only an individual's health but also their family and future. They motivated students to stay strong, make wise choices, and never fall into bad company.

Our respected Managing Director, Mr. Kamal Kumar, and Principal, Mr. Arun Kumar Katoch, also addressed the gathering, emphasizing the importance of self-control, good habits, and moral values among youth. They encouraged everyone to become ambassadors of a drug-free society. All students and teachers actively participated in the campaign. A pledge was taken by everyone to stay away from drugs and to spread awareness among others. Posters and slogans prepared by students added more creativity and enthusiasm to the event.

The program concluded with the powerful message — “Life is precious; don't waste it on drugs.” It was truly a meaningful and impactful event that left a lasting impression on all present.
