

Capacity Building Programme

Title: Capacity Building Programme on Use of Artificial Intelligence in Classroom

Organized by: Punjab Public School, Brahman Majra, Patiala

Date: 8th November 2025 (Saturday)

Punjab Public School, Brahman Majra, Patiala organized a highly informative and enriching Capacity Building Programme on the Use of Artificial Intelligence in the Classroom on Saturday, 8th November 2025. The programme was exclusively designed for teachers to enhance their understanding and application of Artificial Intelligence in the field of education. The session was conducted by two distinguished Resource Persons — Mr. Napoleon Nelson (PGT, Chandigarh Baptist School, Sector 45-D, Chandigarh) and Mrs. Manjeet Jauhar, an eminent educationist from Chandigarh. Both experts shared deep insights on the concept, applications, and impact of Artificial Intelligence in education. They demonstrated various AI-based tools and platforms that can help teachers make their lessons more interactive, innovative, and student-centered. The session emphasized the importance of adapting to emerging technologies to make teaching more effective and future-ready. Around 60 teachers and principals from different schools participated in this training session with great enthusiasm. Their active participation and curiosity made the programme highly engaging and fruitful. At the end of the session, a token of respect was presented to the Resource Persons by our Managing Director, Mr. Kamal Kumar, and Principal, Mr. Arun Kumar Katoch. Our Managing Director, Mr. Kamal Kumar, also expressed his heartfelt thanks to all the participants and appreciated the efforts of the Resource Persons and the organizing team for making the event a grand success.

Outcome:

The participating teachers gained practical knowledge about Artificial Intelligence and learned innovative strategies to integrate AI into teaching and learning processes effectively.

Regards,

Punjab Public School, Brahman Majra, Patiala
