

BAISAKHI CELEBRATION

Dated : 13 April 2026

Our School celebrated the festival of Baisakhi with great joy, enthusiasm, and cultural spirit in the school premises. The purpose of the celebration was to make students aware of the significance and importance of this festival in our culture and tradition.

The programme started with an informative speech about Baisakhi. Students were made aware of the historical and cultural importance of the festival through a speech. They were also asked questions related to Baisakhi, which helped them understand its significance in a better way.

The students actively participated in various cultural activities. They presented beautiful folk songs, recited poems, and sang songs related to the festival. The celebration became livelier with energetic dance performances, Bhangra, and a graceful Giddha presentation by the students.

All the students participated with great excitement and enjoyed the celebration wholeheartedly. The event was both educational and entertaining, helping students connect with their rich cultural heritage.

The celebration was a great success and was appreciated by all.
